Meeting called to order at 7:07 p.m.

Vivian McKeon put motion in order to approve minutes from last meeting. Sue Steiger seconded the motion.

Pete Schaurer

- Discussed and passed out school wish list for review and discussion later in the meeting.
- Softball Field will be completed next week.
- Reviewed and confirmed dates/times for ISHA Tournaments.
- Concerned about the schedules for Memorial Day Weekend because Prom is also scheduled that weekend. Pete suggested leaving volunteers up to the coaches for this weekend. Vivian responded that they have done that in the past and coaches were not very happy.
- Discussion was then directed to Participation fees. Pete just wanted to get a feel for people's opinions on charging participation fees for Athletes.

Donna Fiedler

- Booster Brunch went very well. Donna was a little disappointed with volunteer turnout but coach turnout was fabulous.
- Membership forms are completed and were available Athletic Night.
- Top priority for remainder of year is raising money quickly to re-vamp West Campus Concessions stands.
- Discussion on summer camp fees took place. They will not increase this year.

- Meeting with superintendent and assistant superintendent regarding corporate sponsorship program went very well.
- Donna discussed the feasibility of a Spirit shed being built at West Campus. We need a feasibility study and proposal written.
- Discussion on Spring Slate and met members who are interested in positions.

Jim Andrews

- Same financial situation as in previous month.
- Discussed expectations of income and upcoming expenses.
- Sectionals will help to raise funds.
- Balance Sheet and Income statement were handed out.
-
- Motion to pass treasurers report was initiated by Vivian McKeon and seconded by Barb Hancock.

Vivian McKeon

- Suggested we do not have concession stands open for rain-outs. It is too hard to find volunteers.
- April 27th is tentative make up game for Glenbard.
- Soccer Tournament April 14th and April 15th is scheduled from 9:30-3:00.
- Scholarship forms have been submitted. Only one applicant so far. Applications are due April 24th.

Michael Hannigan

- Major details of web-site are completed. Need to verify that money is reaching the bank for web-orders.
- Sent message to coaches telling them to provide info on athletes for web-site.
- Contacted the Herald regarding announcing scholarships. Pete will try to send a press release.
- School store page will be added to web-site.

Joan DiPiero

- No more purchases should be made for the remainder of the year, except in a case were we will be short for regionals or sectionals.
- Crowds are much smaller for Spring Sports.

Nancy Andrews

- Brought sample of jewelry (earrings) that we will be selling.
- Added graph paper and batteries to the school store.
- Soccer girls requested hoodies that they had designed themselves. Nancy helped place the order and we sold the hoodies at cost.

- Tennis/Girls Track coaches came to her for sweatshirts also.
- Hours at the school store need to be expanded. Would we be able to provide volunteers to work in the school stores? Consensus was that no students could volunteer because of the pressure.
- East Campus school store was named "Lance-a-Lots"
- West Campus store name is still undecided.
- Donna will advertise in newsletter for volunteers.
- Discussed Booster membership fees and how they will work.

Sponsorship

- Corporate Sponsorship will be a similar program as membership.
- Ken is working with a company for advertising. Company he has found will guarantee \$1250.00 rebate back for the year.
- Corporate sponsors will receive same incentives as family membership based on money donated.
- Vocal announcements thanking sponsors will occur only thru half-time and at the end of the game.
- Do not want to lock into three year contract for advertising. Still working out details of contract.

Secretary

- No comments for this meeting.

Wish List

- Wish lists were handed out at the beginning of the meeting.
- Discussion began as we reviewed items. Long discussion occurred regarding Dart Fish Equipment (sophisticated training software) Each unit is roughly \$4,500.00. Discussed advantages and disadvantages of software.
- Discussion led to cheerleading uniforms. Why does baseball have to pay for uniforms if the school is responsible for uniforms?

Secretary left meeting at 10:26 p.m.
